1. Compliance with the Olympic Charter and other rules. My participation in the Games is subject to me complying with certain fundamental rules which aim at ensuring the integrity of the Games, protecting the health of the Participants to the Games and protecting clean athletes.

I confirm being aware of and know the rules and responsibilities applicable to my participation in the Games, which have been brought to my attention by my National Olympic Committee (“**NOC**”), the International Federation (“**IF**”) governing my sport, Beijing 2022 and/or the IOC, among others through the IOC’s official website: www.olympic.org. I agree to comply with all these rules and responsibilities in particular those arising from the following:

2. Capture and use of images. As a Participant, I may be filmed and photographed, at the occasion of the Games. Images of me taken at this occasion may be used together with related information as part of the media coverage of the Games, or otherwise to inform the public about the Games and promote the Olympic Movement.

I understand that the Games are an exceptional event which has ongoing international and historical significance. In consideration of the acceptance of my participation in the Games, I agree to be filmed, televised, photographed, identified and/or otherwise recorded during the Games. I further agree that my captured or recorded image (together with my name, likeness, voice, performance and biographical information) may be used (including by reproducing, distributing, communicating to the public and making it available), in any content, format and through any media or technology whether now existing or created in the future, without payment, for the maximum duration permitted by applicable law, by Beijing 2022, the IOC and any entity or company now existing or to be created, which is directly or indirectly controlled by the IOC (such as The Olympic Foundation for Culture and Heritage, IOC Television & Marketing Services SA, Olympic Channel Services SA and Olympic Broadcasting Services SA) and their affiliates (“**IOC’s Affiliates**”) and/or by third parties authorised by them (such as Organising Committees for the Olympic Games or the Youth Olympic Games, National Olympic Committees, International Sports Federations, the Olympic Marketing Partners (TOP Partners and Rights-Holding Broadcasters), domestic partners and other commercial partners, broadcasters, news media organisations or social media platforms), during and after the Games, for the maximum duration permitted by applicable law, in relation to the preparation, operation, celebration and promotion of the Olympic Games, the Olympic Movement and/or the IOC and its activities, for commercial and non-commercial purposes, but excluding any use that decidedly or conspicuously creates a direct commercial association between my image and any product or service, without my consent.

I acknowledge that I may take or record still and moving images and/or sounds within the perimeter of the Games’ areas and venues where the Games and related events occur, as designated by Beijing 2022 (“**Games Areas**”), and I agree that the IOC shall be sole owner of any intellectual property rights (including copyright) in such content without further authorisation from, or payment or compensation to, me or anyone acting on my behalf, and I hereby assign any rights I may have in respect of such content to the IOC. To the extent permitted by applicable laws, I hereby agree to waive or not to exercise any moral rights I may have in respect of such content against Beijing 2022, the IOC and any third parties authorised by them, including without limitation the right to make derivative works.

Pursuant to the above, I acknowledge that the IOC hereby grants me with a limited and revocable license to use the still and moving images and/or sounds that I take or record within the Games Areas, provided that such use is personal, non-commercial and non-promotional and that otherwise complies with any additional IOC requirements (including the IOC Social and Digital Media Guidelines). I acknowledge that I am solely responsible for the use of these still and moving images and thereafter, I release Beijing 2022, the IOC, the

IOC's Affiliates, and any third parties authorised by them (and their respective members, directors, officers, employees, volunteers, contractors or agents) (collectively, "**Released Parties**") from any responsibility in connection with them.

3. Sport competition including music and other creative elements as part of performance. My performance may include music and other creative elements (such as a choreography or a designed outfit) for which I acknowledge that the use of these elements may require third-parties' consent.

I confirm that I have obtained all rights and authorisations in connection with any creative elements included in my performance for them to be filmed, televised, photographed, identified and/or otherwise recorded as part of my performance at the Games, without any restriction or required payment, compensation or authorisation for Beijing 2022, the IOC, the IOC's Affiliates, for their use in accordance with the terms described under Section (2) hereabove. In particular with respect to music (musical compositions and sound recordings), I confirm that, when obtaining or commissioning it, I have obtained all required authorisations and consents, in particular, in regard to its editing and adaptation to my performance for its use in accordance with the terms of this provision. I agree that I will report on the musical compositions and sound recordings used, in accordance with the processes and guidelines put in place by Beijing 2022 in this respect.

4. Acknowledgment and acceptance of risks while participating at the Games. My participation to the Games may imply exposure to certain risks (e.g. injury, loss of property, infectious diseases), which despite all care taken by Beijing 2022 and the IOC may not be eliminated.

I agree that I participate in the Games at my own risk and own responsibility, including any impact on my participation to and/or performance in the Games, serious bodily injury or even death raised by the potential exposure to health hazards such the transmission of COVID-19 and other infectious disease while attending the Games (including the travel to/from the Games and its preparations), and/or specific measures to mitigate the risk of such exposure, and that I will take all reasonable measures to protect myself from the risks related to my participation. My personal data may be shared primarily with Beijing 2022 and the Chinese authorities, and, where necessary, with the IOC, my organisation, medical service providers and other entities involved in such measures. In this context, I agree that, insofar as my consent is required to a medical act and/or to the processing of my personal data, the absence of such consent will be considered as a refusal to comply with the set of rules and instructions referred to in Section 1 (e) above and may therefore result in the withdrawal of my accreditation.

To the fullest extent admissible under applicable laws, (i) I irrevocably release the Released Parties from any liability for any loss, injury, infectious disease or damage that I, or my property may suffer in relation to my participation in the Games and (ii) notwithstanding the foregoing, in any event where the Released Parties are liable for any damages I suffered under the applicable laws, I agree that the Released Parties' liability shall be limited to actual and direct damages which are reasonably incurred by me.

I understand that I am responsible to ensure that any personal information about me that I provide, directly or through third parties, to Beijing 2022 and/or the IOC in connection with my participation in the Games is accurate and up to date.

6. Arbitration. The Court of Arbitration for Sport is exclusively competent to finally settle all disputes arising in connection with my participation in the Games which have not been resolved by sports governing bodies.
